(d) whether Government propose to re-establish the port restrictions for the import of natural rubber;

(e) if so, the reasons therefor;

(0 whether Government propose to channelise the entry of cardamom into the country through selected ports; and

(g) if so, the reasons therefor?

THE MINISTER OF STATE N THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI E.V.K.S. ELANGOVAN): (a) No such restrictions are in place.

(b) No, Sir.

(a) Does not arise.

(d) No. Sir.

(e) Does not arise.

(f) No, Sir.

(g) Does not arise. Quantitative restriction** on the import of various items including pepper, cardamom, and natural rubber were removed as part of the process of economic liberalization and in terms of our international commitments and obligation. However, the import of these three items is being monitored on a regular basis by the Government for checking any surge in imports. The Government can regulate imports through adjustment in the customs tariff within the bound rates in case of an exceptional increase in imports.

(c) Strengthening of the trade relations with countries and groups of countries is a continous and ongoing process. Efforts are regularly being made to expand and diversify trade through various such as trade market research, information dissemination, buyer-seller meets, participation in important trade fairs, meeting of the Joint Commissions/Councils to help identify potential areas/sectors for promoting trade. In order to enhance trade engagement, various integrated programmes *i.e.* "Focus: Latin American and Caribbean Countries (LAC)", "Focus: Africa" and "Focus: CIS Programmes" were launched to benefit from the trade potential of the concerned regions. In addition Comprehensive Economic Cooperation Agreement (CECA) and Framework Agreement for establishment an FTA have also been signed with various countries.
